

WHAT IS IT?

The Open Learning Materials are a set of nine workbooks, which help you move towards a career in the music industry. The workbooks are part of your MOLP programme, which will be designed specifically for you.

Your MOLP tutor will work with you to set your goals, decide which workbooks and chapters to study, decide what other tasks you need to do (for example, attending sessions in music technology, or rehearsing with your band) and check your progress.

WHY DO I NEED TO KNOW ABOUT THIS?

You need to read this chapter so that you get the most out of the materials.

Each workbook is a self-contained course, which you can work through at your own pace, with help from your MOLP.

You can 'mix and match' different chapters which are marked as 'Optional'.

Some chapters are marked 'Essential' which means these are the most important areas to study.

If you don't spend some time getting to know how these books work, you won't be able to get the full benefit from them.
